### EXCITING DENVER CLASS WINNER

*CRR Helton 980 offers an opportunity to advance your herd by producing industry savvy cattle that serve both your commercial and your registered customers. Helton is a total performance bull, possessing as much muscle, true rib shape and masculinity as any young sire in the breed. Helton is DISTINCTIVE - breeders don't have to sacrifice 'convenience' and maternal traits imperative in today's economy. Moderate Birth Weight, Maternal Strength, Structural Integrity and Quality are bred into Helton. His phenotype reflects his heritage. Study his outcross pedigree, visual attributes and performance data and decide for yourself how CRR Helton 980 fits into your program.*
