SELLING CHOICE OF THESE 3/4 SISTERS

- A rare opportunity to purchase highly sought after Coyote Ridge females at public auction. Due to the success of our genetics at the National Western, we felt it was about time to offer our highest quality females in the Denver sale.
- 920 and 965 are 3/4 sisters out of one of our most prolific and time-honored female lines. You will appreciate the maternal strength, explosive rib and structural design of these two high quality ladies. Note that 920 is a direct daughter of About Time and 965 is a 3/4 sister to him as well.
- At CRR we appreciate your evaluation of our cattle. Contact us for more information on our offering.
